

ZEBRA: Through “thick & thin” with the specialist for fresh products

Technical data:

Cutting thicknesses (mm/inch)	2.5–30; $\frac{1}{10}$ "– $1\frac{1}{5}$ "
Housing dimensions (folded shut) (mm/inch)	
Length	1,250; 49 $\frac{1}{2}$ "
Width	1,000; 39 $\frac{2}{5}$ "
Height	1,550; 61"
Weight (kg/lb)	approx. 795; 1,753
Quality blade with double-ground finish	✓
„Tilt&Go“ quick change gridset system	✓
Gridset frames with different cutting thicknesses	on request

The benefits for you at a glance:

- Best cutting quality for soft (boneless), fresh products
- High degree of productivity due to the ability to cut two products into different thicknesses in one work step
- High degree of flexibility due to precise cutting of irregular products
- Saves time due to “Tilt&Go” quick change gridset system (advantage during cleaning and when changing the gridset)
- Enormous increase in output by slicing multiple products side by side, one upon the other and/or one after the other
