

Ishida AC-3000FN Floral/Bakery Labeling System

PART # MODEL
46544AC-3000FN

Designed to meet the special needs of floral and bakery departments, the AC-3000FN offers 88 preset keys and a free label format featuring up to 1500 characters per label.

Together they reduce operator time and generate a variety of unique floral and bakery labels. What's more, the AC-3000FN includes online capabilities for interfacing with an AC-3000 system.

Applications

- Floral department
- Bakery department
